ANNOUNCEMENT

Our Esteemed Customers, reference is made to the previous Announcement that was published on our Website on 5th November, 2019 regarding procedures for translation of academic/professional certificates for non-citizens intending to work in Tanzania.

Kindly be informed that the link www.etdvs.co.tz is no longer used by the Labour Department for verification of translated documents. You are reminded that translation of certificates or documents should be done by competent Authority, Embassy or Consular office (if they are in a language other than English and Kiswahili), as required by the Non - citizens (Employment Regulation) Act, No. 1 of 2015.

Be informed further that from the date of this Announcement, verification of academic/professional qualifications for all applicants except Class 'A', should be done by the Tanzania Commission for Universities (TCU) for university graduates and National Council for Technical Education (NACTE) for applicants who are not university graduates in accordance with the procedures provided by the said Institutions.

Applications that will be submitted without verification from TCU or NACTE will not be processed.
